UNIQUE VOTES IN 2023

AWARDS

Reach Industry Leaders

Launched in 2014, the annual FACT Dining Awards continue to grow each year and are a transparent means of recognising the very best restaurants in the UAE. The 2022 awards season promises even more growth within the UAE's thriving restaurant scene. We endeavour to remain consistent in our principles, with category winners based on rigorous assessment from an independent judging panel and an online public vote. This year with the help of industry partners and sponsors, we aim to attract over 80,000 votes from the public.

WHY SPONSOR THE FACT AWARD?

RAISING YOUR BRAND PROFILE

Associating and affiliating your brand with The FACT Awards will generate strong brand recognition within the sector. Your presence at the awards evening, where you will present an award in person will show the sector how important you are within it. Your logo will appear on all event collateral, from the media wall, to the roll up banners and LED screen used during the winner announcement presentation

PR AND MARKETING OPPORTUNITIES

Branding does not begin and end at the event itself. We will include your brand in all the pre and post event press releases.

KEY NUMBERS

Across the awards process your branding and marketing will reach over one million consumers and key decision-makers in the industry, via a combination of website content, social media content (competitions and posts) and email marketing campaigns.

NETWORKING

With up to 400 leading industry executives attending the awards, this premiere event is a unique opportunity for you and your team to network amongst key decision-makers. Using your role as sponsor, you can host and thank key customers, initiate new business and generate new leads and business opportunities.
